

Perris Valley Chamber of Commerce

Interested in becoming an Ambassador?

The Ambassadors are a group of individuals that are committed to volunteering their time and effort toward developing and maintaining a supportive role between the business community and the Perris Valley Chamber of Commerce. Ambassadors are the foundation of the Chamber of Commerce, and serve as a viable and visible “goodwill arm” of the Chamber.

As an Ambassador you are invited to attend many functions such as Monthly Business Mixers, Wake-Up Perris, Ribbon Cuttings, Ground Breakings and Special Events. Your talent and attendance is greatly appreciated. Many of our Ambassadors volunteer their time in at least one of the following five categories that are essential to the growth and prosperity of the Chamber. If you are interested in volunteering please let us know and we will be happy to have you join our team.

Please check the category that you feel you are capable of assisting
